Key Information Document

Purpose: This document provides you with key information about this investment product. It is not marketing material. The information is required by law to help you understand the nature, risks, costs, potential gains and losses of this product and to help you compare it with other products.

1. Product

LCI Euro Short Duration Bond Fund, share class A-Acc-EUR (ISIN ZZ0000011476). A sub-fund of Lumen Crest Funds SICAV. Manufacturer: Lumen Crest Investments (Luxembourg) S.A. Supervised by the (fictional) Luxembourg Financial Sector Authority. This document is accurate as at 2026-08-15.

2. What is this product?

Type: shares of a sub-fund of an open-ended investment company (UCITS). **Objective**: Aims to provide income and preserve capital over the short to medium term by investing at least 70% of its assets in euro-denominated investment grade bonds with an average portfolio duration of up to 3 years. **Benchmark**: Meridex Euro Broad Market 1-3 Year Index. **Income**: income is reinvested (accumulating share class). **Intended retail investor**: investors with basic knowledge of funds who can bear a loss of capital and plan to hold for at least 2 years. **Term**: the fund has no maturity date.

3. What are the risks and what could I get in return?

Summary risk indicator: lower risk 1 to 7 higher risk. This product is classified as **2 out of 7**.

1	**2**	3	4	5	6	7

We have classified this product as 2 out of 7, which is a low risk class. This rates the potential losses from future performance at a low level. Rising interest rates may cause bond prices to fall. Issuers may fail to pay interest or capital (credit risk). This product does not include any protection from future market performance, so you could lose some or all of your investment.

Performance scenarios (example investment EUR 10,000; recommended holding period 2 years). What you will get depends on future market performance, which is uncertain and cannot be accurately predicted. The unfavourable, moderate and favourable scenarios are illustrations using the worst, average and best performance of the product over the last 10 years.

Scenario	If you exit after 1 year	If you exit after 2 years
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.	
Stress	EUR 9,190 (-8.1%)	EUR 9,235 (-3.9% a year)
Unfavourable	EUR 9,580 (-4.2%)	EUR 9,781 (-1.1% a year)
Moderate	EUR 10,160 (+1.6%)	EUR 10,363 (+1.8% a year)
Favourable	EUR 10,590 (+5.9%)	EUR 10,733 (+3.6% a year)

4. What happens if the manufacturer is unable to pay out?

The assets of the fund are held separately by the depositary. If the manufacturer defaults, the fund's assets are not affected. There is no compensation or guarantee scheme for investors in this fund.

5. What are the costs?

We assume that in the first year you would get back the amount you invested (0% annual return) and for other periods the product performs as in the moderate scenario, and EUR 10,000 is invested.

	If you exit after 1 year	If you exit after 2 years
Total costs	EUR 453	EUR 558
Annual cost impact (*)	4.5%	2.8% each year

(*) This illustrates how costs reduce your return each year over the holding period.

Composition of costs	One-off or ongoing	Annual cost impact if you exit after 1 year

Entry costs	Up to 3.50% of the amount you pay in. This is the most you will be charged; your distributor may charge less.	Up to EUR 350
Exit costs	We do not charge an exit fee.	EUR 0
Management fees and other administrative or operating costs	0.91% of the value of your investment per year (of which management fee 0.71%). This is an estimate based on actual costs over the last year.	EUR 91
Transaction costs	0.12% of the value of your investment per year. An estimate of the costs incurred when we buy and sell the underlying investments.	EUR 12
Performance fees	There is no performance fee for this product.	EUR 0

6. How long should I hold it and can I take money out early?

Recommended holding period: 2 years. You can sell your shares on any Luxembourg business day without penalty. Selling before the end of the recommended holding period may increase the risk of getting back less than you invested. Orders received by 13:00 CET are dealt at that day's price (see Dealing Cut-off Policy POL-03).

7. How can I complain?

Complaints can be sent to the Client Services team of Lumen Crest Investments at complaints@lumencrest.example or by post to 12 Rue Fictive, L-0000 Luxembourg. We will acknowledge your complaint within 2 business days (see Complaints Handling Policy POL-04).

8. Other relevant information

Past performance over the last 10 years and previous performance scenario calculations are available on request. The prospectus, annual and semi-annual reports are available free of charge. SFDR classification: Article 6.
